Hi! I'm Lily. I want to tell you about my family. My father is a lawyer. He works at a courthouse and defends people. He was born on May 10, 1980. My mother is a saleswoman. She works at a clothes shop. She sells dresses. She was born on July 7, 1984. I like buildings and machines, so I want to be an engineer in the future.

2. Read the dialogue and answer the questions. (E6.8.R1.) (5x4=20)

Where were you yesterday, Tom?

I was at the library.

What did you do there?

I looked for information about animals. I found a great magazine and borrowed a novel.

Did you read the novel?

No, I didn't. I put it in my schoolbag. I want to read it tonight.

Host: Welcome to Green Talk. Today, our guest is Dr. Green.

Dr. Green: Hello, everyone.

Host: What is a big environmental problem?

Dr. Green: Air pollution is a big problem in many cities.

Host: What should people do?

Dr. Green: They shouldn't use private cars all the time. They can walk, cycle or use public transportation.

Host: What about land pollution?

Dr. Green: People shouldn't throw rubbish around. They should use recycling bins.

Host: Thank you for your advice.
