Good morning, everyone! Today, I want to talk about my dream house. I don't want to live in a skyscraper or a big flat. My dream house is a tiny house in nature! It is made of wood. It is smaller than a regular house, but it is very eco-friendly. Inside, there is a small kitchen, a bathroom, and a cosy bedroom. The sitting room has got a comfortable sofa, an armchair and a wide bookcase. I want to sit outside on my terrace, read a book, and feel peaceful.
